**NEW PASTRY
COLLECTION
FALL/WINTER 2020**

MADE IN ITALY

Promise 65

CONCEIVED WITH DAVID VIDAL

A mould which expresses union and harmony thanks to its circular and sinuous shape. PROMISE65 mould is made by a multi-form silicone mould which provides the creation of six semifreddos as well as baked preparations of 65ml each and a practical cutter double-use suitable for the realization of inserts and bases.

A multi-functional mould which provides the making of different preparations: single portions, plated desserts or original desserts to go.

Promise 65

Quenelle 10

RECIPE BY MARIKE VAN BEURDEN

The QUENELLE10 mould is suitable for the creation of 20 sweet or savoury perfectly 3D quenelles of 10ml volume each.

The tridimensionality is made possible thanks to a special and innovative border located inside the mould which gives a particular round shape to the base of preparations.

QUENELLE10 is suitable for baked products as well as semifreddo and gelato versions.

Elegance 1080

CONCEIVED WITH YANN BRYS

Inspired by the exclusive bûche "ART GOURMAND" signed by MOF Pâtissier Yann Brys. Elegance1080 mould by Silikomart Professional is composed of a silicone mould, which enables to create a cylindrical bûche of 1080 ml volume, and of a plastic support which guarantees more stability and an additional ease of the use. Thanks to Elegance1080 design and to its practical support, it is easy to create rounded shape semifreddos, perfect to be glazed or decorated with spray masses.
